Drowning

Darin

Don't know what to do, how to get on up
Is this what they call move on?
This flood is too cruel and its drowning my heart
I'm knocked down, tryna' swim, tryna' head for shore
But this stream is far too strong
Caught under the surface can't keep up for long
The teardrops stream like the pouring rain
I see your face and it wont go away
From my mind, and I'm drowning in the water
The road is clear but I can't see a thing
My heart spills out like a bad dream
And I scream, as I'm drowning in the water
The teardrops stream like the pouring rain
As im drowning in my own ocean
But maybe that's the only way I can get out all the pain

The teardrops stream like the pouring rain
I see your face and it wont go away
From my mind, and I'm drowning in the water
The road is clear but I can't see a thing
My heart spills out like a bad dream
And I scream, as I'm drowning in the water
Ha-ah, ha-ah, ha-ah, oh-oh,
Ha-ah, ha-ah, oh!
Ha-ah, ha-ah, ha-ah, ha-ah
Ha-ah, ha-ah, oh!
The teardrops stream like the pouring rain
I see your face and it won't go away
From my mind, and I'm drowning in the water
The road is clear but I can't see a thing
My heart spills out like a bad dream
And I scream, as I'm drowning in the water
