

# Bloodguilt

## All Hail the Yeti

I have come to prove that the line has been crossed.  
She is gone, drowning in guilt over all that she's lost.  
Is there anything left in your eyes!? They seem so empty to me!

Is there any truth to your lies!?

Cause fiction is all that I see!

These eyes are broken and fading from you.

NO MORE TEARS, NO!

These eyes are broken and fading from you.

THREE MORE YEARS GONE!

I have come to prove that the line has been crossed.

She is gone, drowning in all that she's lost.

I remember a the days you were mine! You seemed so destined for me!

I thought it was love but I'm blind!

Cause hatred is all that I see!

My heart is rusted and aching from you.

COULD YOU CARE LESS!?

My heart is rusted and aching from you.

LET THIS LIE REST!

YEEAAAAAHHH!!!!
