

I'm Not Alone

No Mercy

I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone
When the night gets cold
Loneliness whistles through the window
I know that she still loves me
And when we're apart
Others come and go for a while
I know that she still loves me
I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone
I've been around the world
Many faces played a role
But I know she still loves me
And I won't mistake any love to be as true

'Cause baby, I knew she still loves me
I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone
Do, do you
Do you know how much I need you?
Do, do you
Do you know how much I care for you? Care for you
I'm not alone
'Cause I believe in love
I'm not alone
'Cause I believe in love
I'm not alone
I'm not alone
'Cause I believe in love
I'm not alone

'Cause I believe in love
I'm not alone
