Come Back

Pearl Jam

If I keep holding out
Will the light shine through
Under this broken roof
Its only rain that I feel
Ive been wishing out the days
Ohh ohh oh come back
I have been planning out
All that I'd say to you
Since you slipped away
Know that I still remain true
Ive been wishing out the days
Please say that if you hadnt gone now
I wouldnt have lost you another way
From wherever you are
Ohhhh ohh ohh oh oh come back
And these days they linger on
And in the night ive been waiting for
The real possibility that I may meet you in my dreams
I go to sleep
If i dont fall apart, Will my memory stay clear
So you had to go, And I had to remain here
But the strangest thing today
So far away and yet you feel so close
And Im not gonna question any other way
There must be an open door
For you uhh uhh uhh.... To come back

And the days they linger on
And every night when Im waiting for
The real possibility that I may meet you in my dreams
Sometimes you're there and you're talking back to me
Come the morning I can swear that you're next to me
And its okayyyyyy
Its ok...its ok
(gorgeous McCready solo)
(Eddie Whaling)
Ohhh i need you....come back, come back
Ahhhhh I need you come back, come back
Ohhhh I need you come back, come back

Whoooo whooo whooo whoo
Whoooo whooo whooo whoo
Whoooo whooo whooo whoo
Whoooo whooo whooo whoo
