Basi imba

Babu alinipa Siri,kwanini kaishi miaka mia.
Yani mapenzi yananyonya,ukiwa mzembe utaumiaaa...
Nakumbuka zamani hata bibi mi alinambia...
Yani mapenzi ni roho sasa hivi pesa ndo imefulia...
Kama kumpenda nampenda sasa mbona ndo ananitenga mimi...
Oya ulichokosea amegundua unampendaaa
Kumuonesha nampenda nimekosea kumbe vibayaaa...
Yea umefanya vibaya nakulaumu mwanaizaya...
Mapenz magirigiri...mapenzi ni bigijii natema kama bazouka
