

# Are You Flying With a Different Bird?

## The Elwins

Quiet here, in the air  
Nothing moving, nothing cares  
If I did what say a word  
I'm not sure that you would've heard  
Where've you been hiding this time?  
Hoping it's you that I'll find  
You're the one, one of a kind  
Are you flying with a different bird?  
The starry diamonds fall from heaven above  
One day I think that I'll try  
Leaving without a reply  
No farewell or goodbye  
I'll go flying with a different bird  
The starry diamonds fall from heaven above, ooh  
I miss the taste of fireplace  
on your morning smile  
Let's do it all again  
This time we'll stay for a while  
The only place I want to see  
The starry diamonds fall from heaven above
