Return to You

Garageland

Cold waves, cold hearts.
I hear the distant surf.
Shipwrecked, stolen moments
That hit the shore.
Because I don't mind if the sun
Don't shine when I return to you.
Black heart is broke,
Let's wander out and see
The lighthouse fades,
The darkness of the sea.
Because I don't mind if the sun
Don't shine when I return to you.
