My Immortal (Michael Feihstel Remix)

Evanescence

I'm so tired of being here
Suppressed by all my childish fears
And if you have to leave
I wish that you would just leave
'Cause your presence still lingers here
And it won't leave me aloneThese wounds won't seem to heal, this pain is just too real
There's just too much that time cannot eraseWhen you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of meYou used to captivate me by your resonating light
Now, I'm bound by the life you left behind
Your face it haunts my once pleasant dreams
Your voice it chased away all the sanity in meThese wounds won't seem to heal, this pain is just too real
There's just too much that time cannot eraseWhen you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
But you still have all of meI've tried so hard to tell myself that you're gone
But though you're still with me, I've been alone all alongWhen you cried, I'd wipe away all of your tears
When you'd scream, I'd fight away all of your fears
And I held your hand through all of these years
You still have all of me, me, me
