Pretend It's OK

Little Mix

Jade:
What would you do? What would you say?
How does it feel? Pretend it's OK.
My eyes deceive me, but it's still the same
Pretend it's OK.Perrie:
I remember the day when we were out all nightJade:
I wish that I could get the day back and tell you it's alrightLeigh Anne:
Cause we all do the same thing, we just don't realizeJade:
That we're living on borrowed timeAll:
What would you do? What would you say?
How does it feel? Pretend it's OK.
My eyes deceive me, but it's still the same
Pretend it's OK.Leigh Anne:
I see the light that I'm chasingPerrie:
A memory, but it's fadingJade:
When it's gone I'll be waitingJesy:
Knowing it's too lateLeigh Anne:
Chose the road that I'm walkingPerrie:
Now it's your soul that I'm caught inLeigh Anne:
And you're not hearing when I'm callingLeigh Anne, Jade:
Calling your namePerrie:
One breath, one step, one life, one heart
Two words, two eyes, new begining ,new startPerrie, Leigh Anne:
Too deep, too narrow, too short, too bright,
I'm better with you, here by my sideAll:
What would you do? What would you say?
How does it feel? Pretend it's OK.
My eyes deceive me, but it's still the same
Pretend it's OK.Jesy:
Nothing here, no one talking, knowing it's too late
But sometimes it can get so hard pretending it's OK.Jesy, Jade:
Nothing here, no one talking, nothing's gonna change
But sometimes it can get so hard,Perrie, Jade:
pretending it's OKAll:
What would you do? What would you say?
How does it feel? Pretend it's OK.
My eyes deceive me, but it's still the same
Pretend it's OK.All:
What would you do? What would you say?

How does it feel? Pretend it's OK.
My eyes deceive me, but it's still the same
