I'll Never Fall In Love Again

The Carpenters

Here to remind you, here to remind you
Here to remind you, here to remind you
What do you get when you fall in love
A girl with a pin to burst your bubble
That's what you get for all your trouble
I'll never fall in love again, I'll never fall in love again
What do you get when you kiss a guy
You get enough germs to catch pneumonia
After you do, he'll never phone you
I'll never fall in love again, I'll never fall in love again
Don't tell me what it's all about
'Cause I've been there and I'm glad, I'm out
Out of those chains, those chains that bind you
That is why I'm here to remind you
What do you get when you fall in love?
You only get lies and pain and sorrow
So far, at least until tomorrow
I'll never fall in love again, I'll never fall in love again
Don't tell me what it's all about
'Cause I've been there and I'm glad, I'm out
Out of those chains, those chains that bind you
That is why I'm have here to remind you
Here to remind you, here to remind you, oh, here to remind you
What do you get when you fall in love
You only get lies and pain and sorrow
So far, at least until tomorrow
I'll never fall in love again, I'll never fall in love again
