

Shiver Me Timbers

Bette Midler

Well, I'm leavin' my family, leavin' all my friends
My body's at home, but my heart's in the wind
Where the clouds are like headlines upon a new front page sky
My tears are salt water, the moon's full and high And I know Joe Comrade would be proud of me
And many before me been called by the sea
Come up to the crows nest singin' your saying
Shiver me timbers, I'm sailing away And the fog's lifting, the sand's shifting, I'm drifting on out
Old Captain Ahab's got nothin' on me
Swallow me, don't follow me, I travel alone
The water's my daughter, I skip like a stone And the fog's lifting, the sand is shifting, I'm drifting on out
Old Captain Ahab I'm longing to hear from you
Swallow me, don't follow me, I'm traveling alone
The water, she's my daughter, I'll skip like a stone
