

Who You Are

Jessie J

I stare at my reflection in the mirror
Why am I doing this to myself?
Losing my mind on a tiny error
I nearly left the real me on the shelf
No, no, no, no, no, no Don't lose who you are in the blur of the stars
Seeing is deceiving, dreaming is believing
It's okay not to be okay
Sometimes it's hard to follow your heart Tears don't mean you're losing
Everybody's bruising
Just be true to who you are Who you are, who you are, who you are
Who you are, who you are, who you are
Who you are, who you are, who you are Brushing my hair, do I look perfect?
I forgot what to do to fit the mold, yeah
The more I try the less it's working, yeah, yeah, yeah
'Cause everything inside me screams
No, no, no, no, no, no, no, no Don't lose who you are in the blur of the stars
Seeing is deceiving, dreaming is believing
It's okay not to be okay
Sometimes it's hard to follow your heart But tears don't mean you're losing
Everybody's bruising
There's nothing wrong with who you are Yes, no's, egos, fake shows like whoa
Just go and leave me alone
Real talk, real life, good love, goodnight
With a smile, that's my home, that's my home, no
No, no, no, no, no Don't lose who you are in the blur of the stars
Seeing is deceiving, dreaming is believing
It's okay not to be okay
Sometimes it's hard to follow your heart Tears don't mean you're losing
Everybody's bruising
Just be true to who you are
Yeah, yeah, yeah
