

on the lips

Frankie Cosmos

I watch David Blaine
Find myself believing
In many things
In many things I watch David Blaine
Find myself believing
In many things
In many things Where would I kiss ya
If I could kiss ya
Where would I kiss ya
If could kiss ya
Sometimes I cry 'cause I know
I'll never have all the answers
Separated by subway transfers I watch you disappear
As my chain rolls away
I know you could've kissed me
But I'll have to wait
Where would I kiss ya
If I could kiss ya
Where would I kiss ya
If I could kiss ya
