# No Love

## American Authors

We say I love you
We go to parties
We never argue
But baby something's changed
We ain't got no love anymoreThere's not one thing about you
That I would ever change
There's just this thing that I can't explain
Don't wanna be without you
But it can't stay this way
Don't know what happened but I'll take the blameNow we're runnin' runnin' runnin' in circles
We're runnin' runnin' runnin' in circlesWe say I love you
We go to parties
We never argue
But baby something's changedWe say don't worry
But I think we got to
This house is burning
'Cause baby something's changed'Cause we ain't got no love anymore
We ain't got no love
We ain't got no love anymoreThere's just some things about me
That I wish I could change
You're running on empty
And I'm so drainedI feel you tossin' turning
I can even feel your pain
Could we just hit rewind and start againNow we're runnin' runnin' runnin' in circles
We're runnin' runnin' runnin' in circlesWe say 'I love you'
We go to parties
We never argue
But baby something's changedWe say don't worry
But I think we got to
This house is burning
'Cause baby something's changed'Cause we ain't got no love anymore
We ain't got no love
We ain't got no love anymoreBut if we can't go back to what we knew
The different people that we grew into
Instead of running off to someone new
I'd rather start again and grow with youWe say I love you
We go to parties
We never argue
But baby something's changedWe say I love you

We go to parties
We never argue
But baby something's changed
We say don't worry
But I think we got to
This house is burning
'Cause baby something's changed'Cause we ain't got no love anymore
We ain't got no love
We ain't got no love anymore
