I Don't Like to Get Dirty

The Ropes

You can all go fuck yourselves
You can all go burn in hell
But if there's anything you need at all I would help you out
I'll be the one who cheers
When the end is near
But if someone had to save the day I guess I'd volunteer'Cause my life doesn't mean a thing to me
The only reason I haven't put myself in the ground already
Is I don't like to get dirtyYou can all go fuck yourselves
You can all go fuck yourselves
You so-called tortured souls
But I'll cover your ears so you won't hear the screams and moans
If I could I'd just
Throw the earth into the sun
But I'd cover your eyes until my hand melted offNo, life doesn't mean a thing to me
The only reason I haven't put myself in the ground already
Is I don't like to get dirtyAnd I don't want a funeral
'Cause I don't like people looking at me
And I don't want to get married
'Cause I don't want someone touching me
I'm fine
I really want to die
Tonight I really want to die
But don't worry
No don't worry
I won't hurt me
I won't hurt me
'Cause I don't like to get dirtyYou can all go fuck yourselves
