# 1 Of Those Weaks

## The Neighbourhood

[Intro]
Aw man, the whip black and white
My bitch black and white
My fear black and white[Verse 1]
I'm never the same, I change every week
I won't stay in the middle, I'll kill everything
Yeah I'm stuck in between, if I'm wrong or I'm right
I would ask for advice, but I just do what I like
Can't get over the fact, people living a lie
Just to stay entertained, what a waste of a life
What a waste of a space, what the fuck is your point
You're a waist with no spine, you're a waste of my time
I smoke cause I'm stressed, I try to get high
But it gets me depressed, I'm just tryna get by
I'm just drivin' at night, I got no music on
I got no favorite song, it's just me and my thoughts
I've fallen in love, I've fallen behind
I've fallen for her, more than once, only twice
I fell in the pool, got chlorine in my eyes
And it burned for a minute, but I didn't go blind[Hook]
This is for my friend who stay
The old cafes and they kick it in the parking lot
[?] well I mean what I speak, what I feel with a broken heart
I be getting money all day, so I can spend it all on us
I be getting money all night, so I can spend it all on us[Verse 2]
You can't get me to spit, but I'm so hard to swallow
My daddy is dead, I've got no man to follow
And I know that I'm shallow, but why shouldn't I be?
I don't mean to get deep, it's just 1 of those weaks
Couldn't tell you the day, couldn't tell you the time
Trouble falling asleep, for the past couple nights
Trouble being alone, I've been losing my mind
But I don't want any trouble, it just chooses to find me[Hook][Outro]
Said I've been thinkin' bout you
And what we gon' do
But I've been thinkin' bout fallin' in love
I've been thinkin' bout you
