The Animal In Me

Cassadee Pope

Advisory - the following lyrics contain explicit language:

It feels like thunder
When we're slowly digging in
It kind of makes me wonder
About the lovers that have beenLying in my bed with her hands tied up
I knew it all along that it wasn't enoughCause when I got a taste of you
I found something to sink my teeth intoIt's an ache that never heals
It's the deepest cut you feel
It's the thing in you that feeds
The animal in me
It's the darker side of lust
It's the other side of us
It's the thing in you that feeds
The animal in meI want to be your last breath
Before we suffocate
A kiss you can't forget
Like a wedding on a rainy dayThe chills keep shooting down the back of my neck
Like a freight train pounding in the pit of my chestCause when I got a taste of you
I found something to sink my teeth intoIt's an ache that never heals
It's the deepest cut you feel
It's the thing in you that feeds
The animal in me
It's the darker side of lust
It's the other side of us
It's the thing in you that feeds
The animal in meIt's a hurt that never heals
It's the deepest cut you feel
It's the thing in you that feeds
The animal in meIt's an ache that never heals
It's the deepest cut you feel
It's the thing in you that feeds
The animal in me
It's the darker side of lust

It's the other side of us
It's the thing in you that feeds
The animal in me
