

# Christmas Time Will Soon Be Over

**Jack White**

Christmas time will soon be over,  
Christmas time will soon be over,  
Christmas time will soon be over  
Then we'll join the band. Wake up gals, let's go to the river,  
Wake up gals, let's go to the river,  
Wake up gals, let's go to the river,  
Then we'll join the band. Get up gals, don't be bitter  
Get up gals, don't be bitter  
Get up gals, don't be bitter  
Then we'll join the band. Mess with me, I'll pull the trigger  
Mess with me, I'll pull the trigger  
Mess with me, I'll pull the trigger  
Then we'll join the band.
