Afterlife

Nemesea

Donâ€™t shut your eyes to me
I want to make you see
Our destiny, how itâ€™s supposed to be
And let the darkness fade
Find comfort in my shade
'Cause youâ€™re not alone, no youâ€™re not alone

Can we see, can we feel when weâ€™re in the afterlife
Do you know, how I know to believe in you
Because I do
Can we hope, can we love, can it be our destiny
'Cause Iâ€™m listening
Yes Iâ€™m listening
To you

Now donâ€™t you close your eyes
Stop telling me your lies
Donâ€™t live in fear, 'cause I wonâ€™t disappear no
I hope you understand
Iâ€™ll lend a helping hand
So come to me, 'cause I will set you free

Break the silence
Fill this emptiness
And hope for better days

Can we see, can we feel when weâ€™re in the afterlife
Do you know, how I know to believe in you
Because I do
Can we hope, can we love, can it be our destiny
'Cause I am listening
Yes I am listening
To you

Donâ€™t break me now
Donâ€™t tell me that it ends
Let us find another way to make amends
Donâ€™t hate me now
Donâ€™t turn the other way
'Cause thereâ€™s so much left for both of us to say
