

# Ghosts Of You

**Chantal Kreviazuk**

We were occupied  
I never had to go outside  
I was your alibi  
We were planning our escapeWe stayed up all night  
With Lucy in the diamond sky  
Drank cheap red wine  
And tucked ourselves to sleep[Chorus]  
Please don't go  
These ghosts of you  
The only thing that help get me through the day  
Baby, please don't go  
'Cause I love you  
You're the only one that will stay the sameWe could laugh out loud  
And sing until the sun came out  
We took a secret vow  
That we would never changeYou always loved to dance  
I wish we had another chance  
To go back in time  
And do it all again[Chorus]I don't want to live forever  
But if we could be together  
Then I wouldn't mind infinity  
I don't want to live forever  
Oh, but I can still remember  
No, I wouldn't mind infinity[Chorus x 2]
