## The Rudie Crew

Let me now turn to our program for the future  
The economy right now, is extremely supportive  
Of the President and his policies  
FBI scientists have found chemical traces  
Consistent with a bomb or a missile on a piece of wreckage  
Police using clubs and tear gas against demonstrators  
They called me a motherfucking so and so and a white fascist  
Like they said, "You're getting some of your own medicine"  
Telling lies to our children  
Telling lies to our children  
Telling lies to our babies  
Only truth can take us  
You can't fool all the people all of the time  
But if you fool the right ones, then the rest will fall behind  
Tell me who's got control of your mind, your world view  
Is it the news or the movie you're taking your girl to?  
Know what I'm saying 'cause Uncle Sam got a plan  
If you examine what they telling us then you will understand  
What they planting in the seeds of the next generation  
Feeding our children miseducation  
No one knows if there's UFOs or any life on Mars  
Or what they do when they up in the stars  
Because I don't believe a word of what the President said  
He filling our head with lies got us hypnotized  
When he be speaking in cold words about crime and poverty  
Drugs, welfare, prisons, guns and robbery  
It really means us, there's no excuse for the slander  
But what's good for the goose, is still good for the gander  
See  
I don't believe Bob Marley died from cancer  
31 years ago I woulda been a panther  
They killed Huey 'cause they knew he had the answer  
The views that you see in the news is propaganda  
Telling lies to our children  
Telling lies to our children  
Telling lies to our babies  
Only truth can take us  
I don't want no computer chip in my arm  
I don't wanna die by a nuclear bomb

I say we all rush the Pentagon, pull out guns  
And grab the intercom, my first word's will be I believe  
Man made God outta ignorance and fear  
If God made man then why the hell would He put us here?  
I thought He's supposed to be the all loving  
The same God who let Hitler put the Jews in the oven  
We don't fall for the regular shit, they try to feed us  
All this half-ass leadership, flipping position  
They turn politician and shut the hell up and follow tradition  
For your TV screen is telling lies to your vision  
Every channel got some brainwashed cop shit to watch  
Running up in niggas cribs claiming that they heard shots  
It's a plot but busta can you tell me who's greedier?  
Big corporations, the pigs or the media?  
Sign of the times, terrorism on the rise  
Commercial airplanes, falling out the sky like flies  
Make me wonder what secrets went down with Bob Brown  
Who burnt churches to the ground with no evidence found?  
It's not coincidence, it's been too many studied incidents  
It coulda been the Klan who put that bomb at the Olympics  
But it probably was the FBI, deep at the call  
'Cause if they make us all panic then they can start martial law  
I don't believe Bob Marley died from cancer

I don't believe Bob Marley died from cancer  
31 years ago I woulda been a panther  
They killed Huey 'cause they knew he had the answer  
The views that you see in the news is motherfucking propaganda  
Police is telling lies fooling millions  
What are they teaching our kids in these school buildings?  
Televised, enterprised in all the killing  
Controlling our lives, this ain't living, no this ain't living  
FBI, CIA, ATF, KKK  
IRS, TNT, CBS, NBC  
FBI, CIA, ATF, KKK  
IRS, TNT, CBS, NBC  
Telling lies to our children  
Telling lies to our children  
Telling lies to our babies  
Only truth can take us  
We view each other with a great love and a great understanding  
And that we try to expand this to the general black population  
And also people, oppressed people all over the world

And, I think that we differ from some other groups simply  
Because we understand the system better  
Than most groups understand the system and with this  
Realization, we attempt to form a strong political base  
Based in the community with the only strength  
That we have and that's the strength of  
A potentially destructive force if we don't get freedom
