

# To the Dreamers

## for KING & COUNTRY

We're beat up but won't be broken  
Lonesome but always searching  
Homesick but nobody's heading home soon  
Keep on, keeping on, keeping on

Long days and too many short nights  
And wrong ways that almost felt right  
Lovesick but nobody's holding you  
Keep on, keeping on, keeping on  
So sing along, sing along, sing along! Yeah

To the dreamers  
Wide-eyed believers  
Hanging onto hope by a thread  
To the soulful  
Heart open hopeful  
Keep on charging ahead  
Cause, when you feel it, once you see it, and you breathe it  
It's unforgettable  
When you know it, once you know it, and you hold it  
It's unforgettable

God knows you question your courage  
And some days I can't walk for stumbling  
If we could only see what we're becoming

Keep on, keeping on, keeping on  
So sing along, sing along, sing along! Yeah

To the dreamers  
Wide-eyed believers  
Hanging onto hope by a thread  
To the soulful  
Heart open hopeful  
Keep on charging ahead  
Cause, when you feel it, once you see it, and you breathe it  
It's unforgettable  
When you know it, once you know it, and you hold it  
It's unforgettable

When you feel it, once you see it  
It's unforgettable  
When you know it, once you know it, and you hold it  
It's unforgettable

I was wondering and I was wandering  
So down and out, I was lost not found  
History said, oh someone said, that you could never exist  
But then a whisper, the start of a kiss  
Came to me in all of a sudden like a dream, a fantasy  
That day didn't feel quite real  
You took a half dead soul and You made me believe  
I believe, I believe, I believe, I believe, I believe

To the dreamers  
Wide-eyed believers  
Hanging onto hope by a thread  
To the soulful  
Heart open hopeful  
Keep on charging ahead

To the dreamers  
Wide-eyed believers  
Hanging onto hope by a thread  
To the soulful  
Heart open hopeful  
Keep on charging ahead  
Cause, when you feel it, once you see it, and you breathe it  
It's unforgettable  
When you know it, once you know it, and you hold it  
It's unforgettable
