

Never a Day

Fred Hammond

Some days I can live without
The blue skies
A Clear day where the sun is shining
So bright
Some days I can let that pass me by, oh
But, there's never a day Lord
That I....
That I can live without Some days I could live without a
Good meal
Yes, some days I could live without
Someone keeping it real
Some days I can live without some days
But, there's never a day Lord
That I could live without There's never a day Lord
That I could live without
Twenty-four seven, three sixty-five
I can't do
Without You , without You
Without You Some days I could live without
Home sweet home
And some day I could live without
Hearing my favourite song
Some days I could let it pass me by
But, there's never a day Lord
Never a day
That I could live without You All these things I really do appreciate
In my life
A good meal, keeping it real, home sweet home
And blue skies
Yes, some days I could live without it all
But there's never a day Lord
That I could live without You Never
There's never a day Lord
Never
That I could live without You
Twenty four
Twenty four seven three sixty five
No, I
I can't do

NoooooThere's never a day Lord
I can't
That I could live without
Twenty-four seven three
Twenty four seven three sixty five
Ooooh, I can't do
Without You
Without You
Without You
Without YouLord without You
Without You
Without You
Lord without YouWithout You
Without You
Without You
Sayyyyy
Without You
Without You
Lord without
Without You II can't go a day without Your peace
No way
That surpasses understanding
Without Your wisdom
It answers
It answers all my questions
And Your favour
I ??? favour
I know I don't deserve it
But, I can't go a day
Without it
YeahThere's never a day
There's never a day Lord
That I
That I could live
Could live without Your love right here with me, yeah
Twenty four seven, three sixty-five
I can't do
Without Your love
Without Your love
I mean it
I mean it
I would be empty inside
I would be empty insideWithout You
Without You
Lord without You

There'd be no way I'd survive
Without You
Without You
Without Your Love
Without You
Without You
I couldn't do this thing
Without Jesus
Without You
Lord without You There'd be no reason to sing Ayyy, oooohhhhh(Music) Come on
Come on
Yes!
Yes!
Yes!
Yes!
Yes!
Yes!
Yes!
Telling that I can't go a day
Without You
Without You
Without Your love, oh
No way
Without You
Without You
Lord without You
And I know I won't last
A moment
Without You with me
With me Your love is better than life itself
And life ain't nothing without
Life ain't nothing without
This is what I know
Why I love You so
Yes!
Yes!
Yes!
Yes!
