Beat The Bullet

Vain

Yeah!
Hey you I'm no fool
What you got going what you got going
You've got temptation eyes
What you got hiding what you got hidingYou've got a way to make me feel
Like I want to be with you
Just a little more than hypnotized
But if I do what I wanna(Chorus:)
I get down on my knees
Praying to the lord that I beat the bullet
I get down on my knees
Praying to the lord that I beat the bullet
I beat itBaby baby baby I beat itNew York L.A. Frisco
Boy they got something boy they got something
I've been around this world
What's it got for me what's it got for me
You got temptation in your eyes
Now one and one is two
Just a little more than hypnotized
But if I do what I wanna(Chorus)Baby baby what you got hiding
What you got going will I beat the bullet
Oh you got more you got more more
Than a man could want(Chorus)Ooh baby I'm gonna
I'm gonna beat the bullet
