

Nothing

The Script

Am I better off dead?
Am I better off a quitter?
They say I'm better off now
Then I ever was with her
As they take me to my local down the street
I'm smiling but I'm dying trying not to drag my feet

They say a few drinks will help me to forget her
But after one too many I know that I'm never
Only they can see where this is gonna end
But they all think I'm crazy but to me it's perfect sense

[Chorus]
And my mates are all there trying to calm me down
'Cause I'm shouting your name all over the town
I'm swearing if I go there now
I can change her mind turn it all around
And I know that I'm drunk but I'll say the words
And she'll listen this time even though they're slurred
Dialed her number and confessed to her
I'm still in love but all I heard
Was nothing

So I stumble there, along the railings and the fences
I know if I faced her face, that she'll come to her senses
Every drunk step I take leads me to her door
If she sees how much I'm hurting, she'll take me back for sure

[Chorus]
She said nothing
Oh, I wanted words but all I heard was nothing
Oh, I got nothing
Oh, I got nothing
Oh, I wanted words but all I heard was nothing

Oh, sometimes love's intoxicating
Oh, you're coming down, your hands are shaking
When you realize there's no one waiting

Am I better off dead?
Am I better off a quitter?
They say I'm better off now
Than I ever was with her

[Chorus]

She said nothing
Oh, I wanted words but all I heard was nothing
Oh, I got nothing
I got nothing
I wanted words but all I heard was nothing
Oh I got nothing

I got nothing
I got nothing
I got nothing
