Kitchen Sink

B. Dolan

Nobody thinks what I think,
Nobody dreams when they blink,
Think things are on the brink of blasphemy,
I'm my own shrink,
Think things are after me,
My catastrophe,
At my kitchen sink.

You don't know what that means.
Because a kitchen sink to you,
Is not the same to me,
Okay friend?

Are you searching for purpose?
Then write something,
Yeah it might be worthless,
Than paint something,
And it might be wordless

Pointless curses,
nonsense verses,
You'll see purpose start to surface

No one else is dealing with your demons,
Meaning maybe defeating them
Could be the beginning of your meaning
Friend

Go away...[4x]

Leave me alone..[4x]

OHHHH

Leave me alone

OHHHHH

Leave me alone

OHHHHHH

Leave me alone

Nobody think what you think,
No one, empathy might be on the brink
Of extinction. They will
Play a game and say they know
Exactly what you're going through.
And I tried to come up with an artistic way,
To say, they don't know you,
And neither do I

So here's an example of a stand up guy,
Who hates what he believes,
And loves it at the same time.
Here's my brother and his head's
Screwed up, but that's alright

Time gains momentum,
The moment when I'm living in 'em,
I'm winning a momentary sinning a
Moment passing after a rebeginning
Moments mending memories,

Pretending enemies are friends of me,
Sending me straight to bending me,
My bad behavior but I bet, I could have
Been a better man,

Copy and paste, caught me, and copy,
Better rhymes bother me,
The better the rhythm the badder I am,
But I bet I'll battle with em battle

Better I am, gambling man,
Better bet I am a gambling man,
I am

Go away...[4x]

Leave me alone..[4x]

Leave me alone

Done leave me alone

Ohhhhhhhhh[5x]
