Summer's Rain

Savatage

Standing alone in a dream
Where nothin' is real
But oh how real it feels
There were times I lost my way
I was alone, lost in a haze
Where are you now?
I'll find you somehowAnd do I stand alone
Like a fool out in the rain?
Hangin' on somehow
To an ancient vow
Where there's nothin' left to gain
And do you know
How it feels inside?
To be all alone
A fool and his prideScars are the wounds that we show
Time only heals
When you're letting go
Many night I'd lay awake
Tossin' and turnin' till daybreak
Where are you now?
I'll find you somehowAnd do I stand alone
Like a fool out in the rain?
Hangin' on somehow
To an ancient vow
Where there's nothin' left to gain
And do you know
How it feels inside?
To be all alone
A fool and his prideIn a summer's rain
In a summer's rain
In a summer's rainSometimes you got to believe
Beyond yesterday
I'm gonna find my wayIn the summer's rain
In a summer's rain
In a summer's rain
In a summer's rain
I'm gonna find a way, find a way
Run away, far away
Run away, run away

Run away
