

L.O.V.

Fitz & The Tantrums

I don't believe in the power of love
When the world is crumbling' down
And all the fears that you face in the mirror
Ooh baby, look out they say L.O.V. for you and me
It's just the way it's gotta be
L.O.V. for you and me
It's just the way it's gotta be
Ooh, when love come round Love is a feelin'
Feel the words of love
Hold these words as the sweetest embrace
And try, come on, try I don't believe that you've given up on love
I'm hoping that you'll come around
It's the fear that you know but you gotta let go
So baby, please don't doubt, they say L.O.V. for you and me
It's just the way it's gotta be
L.O.V. for you and me
It's just the way it's gotta be
Ooh, when love come round Love is a feelin'
Feel the words of love
Hold these words as the sweetest embrace
And try, come on, try Ooh baby, you know its gonna be alright
If you could find your way back home
I'd never ever ever let you go Love is a feelin'
Feel the words of love
Hold these words as the sweetest embrace
And try, come on, try
