

# Nassau/Baby, I Love Your Way

Peter Frampton

Shadows grow so long before my eyes  
And they're moving across the page  
Suddenly the day turns into night  
Far away from the city Don't hesitate 'cuz your love won't wait Ooh baby, I love your way  
Wanna tell you I love your way  
Wanna be with you night and day Moon appears to shine and light the sky  
With the help of some fireflies  
I wonder how they have the power to shine, shine, shine  
I can see them under the pine But don't hesitate 'cuz your love won't wait Ooh baby, I love your way  
Wanna tell you I love your way  
Wanna be with you night and day Well, don't, don't hesitate 'cuz your love won't wait I can see the sunset in  
your eyes  
Brown and gray and blue besides  
Clouds are stalking islands in the sun  
I wish I could buy one out of season But don't hesitate 'cuz your love won't wait Ooh baby, I love your way  
Wanna tell you I love your way  
Wanna be with you night and day  
Ooh baby, I love your way
