## Usher(î-î ”)

Usher, Usher Oh, oh oh, oh, papers  
Oh, oh oh, oh, papers I can't get to work on time  
Can't believe the words to her I just said  
But who the hell argue and fight like dogs at 6 in the morning?  
I know it's gonna be some more sh tonight Our pastor's callin', tellin' me I done went too far  
And I'm seen around town and my friends can't recognize me  
'Cause I took a chance on love  
It's like I'm dyin' For you I gave my heart and turned my back against the world  
'Cause you were my girl, girl, girl  
I'd damn near lost my mama  
I'd been through so much drama  
I'd turned into the man that I never thought I'd be I'm ready to sign them papers, papers, papers  
I'd took all I can take, but you leave me no options, girl  
I can't deny how much I love you, I'd give up everything I had to  
As hard as it is, I'm afraid I gotta say I'm ready to sign them papers, papers, papers  
I'd took all I can take, but you leave me no options, girl  
Oh, oh, oh, papers  
Oh, oh, oh, papers I'm losin' my mind, can't figure out who's wrong or right  
I know it's you I love, but then I also know it's you I don't like  
You claim you hate who I was, but that's the reason you here now  
You think I don't know what's up, but sweetheart that's what ruined us I ain't afraid to say I got needs but the  
only time you're here for me  
Is when the bottles poppin' and everything is sweet  
But I, I'm tired of sleeping in the other room spending them long nights  
Trying to figure out what in the hell in my heart I ain't do right For you I gave my heart and turned my back  
against the world  
'Cause you were my girl, girl, girl  
I'd damn near lost my mama, I'd been through so much drama  
I'd turned into the man that I never thought I'd be I'm ready to sign them papers, papers, papers  
I'd took all I can take, but you leave me no options, girl  
I can't deny how much I love you, I'd give up anything I had to  
As hard as it is, I'm afraid I gotta say I'm ready to sign them papers, papers, papers  
I'd took all I can take, but you leave me no options, girl  
Oh, oh, oh, papers  
Oh, oh, oh, papers Oh, oh, oh, papers  
Oh, oh, oh, papers  
Ready, ready, ready, ready All my fellas up in here, if you had enough and you're ready to sign, say  
(Ready, ready, ready, ready)  
I'm ready, yes I am

All my ladies if you sick and tired, and you're ready to sign, say  
(Ready, ready, ready, ready)I can't keep livin' this life, I said I'm leavin' for the last time I'm  
(Ready, ready, ready, ready)I'd damn near lost my mama, I'd been through so much drama  
I'd turned into the man I never thought I'd be  
I'm ready to sign them papers, papers, papers  
I'd took all I can take, but you leave me no options, girlI can't deny how much I love you, I'd give up  
everything I had to  
As hard as it is I'm afraid I gotta say  
I'm ready to sign them papers, papers, papers  
I'd took all I can take, but you leave me no options, girl
