

I Go Hungry

Mother Mother

Oh lalalalala ahI got a date on Friday.
Not gonna eat anything 'til then.
I'm gonna look so skinny.
She'll wanna feel my bones against her skin.
And I rehearse my greeting.
I say hello without too much intent.
She gonna think I'm dreamy,
She'll wanna show me off to all her friends.
Yeah you know she would!
(Yeah you know she would)
Yeah you know she would.I'm manifesting love and fate
I am a man and I confess I fake.
When I go hungry, I go nail and tooth.
When I go hungry, I go hungry, I go hungry for the truth.
I didn't write no book on love
I picked it up then put it down, it didn't get me off the top.
Yeah, yeahIn my design I will be funny
In my design she'll have a laugh that can't pretend.
In my design I will have money.
I'll grab the tab and I will tip sixty percent.I'm manifesting love and fate
I am a man so I must be insane.
When I go hungry, I go through the bone
When I go hungry, I go hungry, I will eat my little ones
I thought I wrote the book on fun
Until I put it out to find I couldn't sell a single one
Yeah, yeahI'm manifesting love and fate
I am a man and I confess I fake.
When I go hungry, I go nail and tooth.
When I go hungry, I go hungry, I go hungry for the truth.
I didn't write no book on love
I picked it up then put it down, it didn't get me off the top.
