

Brand New (with Justin Timberlake)

Pharrell Williams

My love

A Winner never quits
And a quitter never wins
I thought about what I wanted
And you were on my list

Remember where I was?
In the desert with no love
No cactus's, just dust
And you swept me from above

So I just wanna say
Thank you for this day
Cause it is so good
Good Honey

You got me feelin' brand new (brand new)
You got me feelin' brand new (brand new)
Like the tag's still on me
Like the tags still on me
Jumpin' 'round in your bag
Jumpin' 'round in your bag
So good morning, ooh girl
You are the feeling I'm jammin' to (brand new)
You are the feeling I'm jammin' to (brand new)
Like the tag's still on me
Got the tags still on me

Life to me is easy
People make it complicated
When love is the tool
No reason we can't make it

Come on, let's go, be brave
Feel somethin' at the
Once we know that amaze
Then give it all away

All my life, when I describe

What I want, I've been misunderstood
The more I try, at bein' satisfied
And didn't think that I could
But then you came along, and you made me strong
Like God said you would
