

# Bang Bang

## Iggy Pop

This ain't the right thing to do, so let's go  
Young girls, know what they're after  
Young girls, don't kiss me goodbye  
Rockets, shoot off to space  
And buildings, rise to the sky  
Bang bang, I got mine  
Bang bang, reach for the sky  
I keep a good friend on video tape  
He'll drive his sports car until it's too late  
But we'll have a hot time on the town tonight  
'Cause love is my gadget, and it's the best, yet  
Bang bang, I got mine  
Bang bang, the sun don't shine  
Bang bang, oh, what a hard time  
Bang bang, now, I ought to be in pictures, let's go  
Oh girl, oh girl, my problems can't follow me  
Phone calls, I take my machine  
I wander lonely to the sea  
Lonely, HAHAAAAHA what does it mean, who me?  
Bang bang, I got mine  
Bang bang, and you are next in line  
Bang bang, and that's all it means man,  
Here...  
Bang bang, have a glass of wine  
Bang bang, rise buildings  
Bang bang, rise to the sky  
Bang bang, young girls they know what they're after  
Bang bang, young girls, don't kiss me, goodbye  
Don't kiss me, goodbye  
Bang bang, bang bang, bang bang, bang bang
