

All the Thugs I Know

The Carps

I want some wood grain for Christmas
I dream of riches in my sleep
You can find me in, flossin on some 14's
A Master pitching nothing promised wont come for free (Scream)All the thugs I know, they aint got
nothin, nothin, nothin, nothin, nothin on me~
(x2)(Jahmal speaking) "Hip Hop, I loved you as a boy"
"Where have you gone(echo)"(voices harmonizing)Gangstas from the birth, just front, and waiting
Im a free thug, locked till I give them Keys (Hey Hey Hey)All the thugs I know, they ain't got
nothin, nothin, nothin, nothin, nothin on me~
(x2)
