

No Longer Fun

[Rey Pila](#)

Its time so let us go
Its time so let us go home
Everybody just stares cause
We wont right (?) through the door And all the people that we
And all the people that we used to know
Looked like if it on the wall (?)
With themselves, with their friends
Theyre still the same
It's like a game
But no longer fun
No longer fun no longer fun
And I used to cry, cry, cry about it
Used to laugh, laugh, laugh and shout it
But its no longer fun, its no longer fun We all think you're special
We all think youre special
Cause you hang around the places
Where we can go to impress ...
So they can steal Its like a game but no longer fun
No longer fun no longer fun And I used to cry, cry, cry about it
Used to laugh, laugh, laugh and shout it
But its no longer fun
It's no longer fun
And I used to cry, cry, cry about it
Used to laugh, laugh, laugh and shout it
But its no longer fun its no longer fun
Used to cry, cry, cry about it
Used to laugh, laugh, laugh and shout
But its no longer fun
Its no longer fun
Used to cry, cry, cry about it
Used to laugh, laugh, laugh and shout
But its no longer fun
Its no longer fun
