## The 69ers

Washington at Valley Forge
Freezin cold but up spoke George
and said, "Vododio, vododio, do....
Crazy words, crazy tune,
How that George could croon and swoon
that "Vododio, vododia, do....
On his ukelele, daily,
He would strum,
A deedle um dum.
Dancin, prancin,
X Then he'd holler "Red hot Mama!"
Crazy words, crazy tune
How that George could croon and swoon
that "Vododio, vododia, do....
