Pathetic Priest

Altar

Your whole life, you preach harmony
Relationship, you're fucking jesus christ
Obey 'cause you've been told
He would save your soulBut now you're passing the final hour
Your life is through, there is nothing left
An horrible disease finally took it's tollYour friends & family
Stand around your grave
To give you respect
You've never had from them
They pray to your god
To take you in his arms
But the earth is cold
They know it's the end
Dead is dead - accept the fact
Only in your life - you have your soul
In your head - I am your pain
I rape you - pathetic priest
What has a church to do with your death
Fuck their false promise of better times
God cannot cure, god has no use
God has no power, god is you
