How to Break a Heart

Honor Bright

Can you take your own medicine?
Wash it down without choking up the evidence
Put your heart inside the devil's hands
And walk 22 miles in my shoes
And now you're crying like I did before
Cause your love don't live here
NO MORE
Did you think you'd get back what you threw away?
It's too late, You're too late!
(Ooooohhh)
How to break a heart
How to break a heart
I know what to do
Yeah I learned that from you
I know
How to break a heart
How to break a heart
Rip your world in two
Yeah I learned from you
(You, you, you, you)
Yeah I learned from you
(You, you, you, you)
How to break a heart
How to break a heart
I know what to do
Yeah I learned from you
(You, you, you, you)
Yeah I learned from you
(You, you, you, you)
Yeah I learned from you
(You, you, you, you)
How to break a heart
How to break a heart
I know what to do
Yeah I learned from you
(You, you, you, you)
Can you be your own barricade?
When you bombs go off will you
See all the mess your made?

No one wins these little game you play
Not even you, Not even you!
Cause now you're crying like I did before
Cause your love don't live here
NO MORE
Did you think you'd get back what you threw away?
It's too late, You're too late!
(Ooooohhh)
How to break a heart
How to break a heart
I know what to do
Yeah I learned that from you
I know
How to break a heart
How to break a heart
Rip your world in two
Yeah I learned from you
(You, you, you, you)
Yeah I learned from you
(You, you, you, you)
How to break a heart
How to break a heart
I know what to do
Yeah I learned from you
(You, you, you, you)
Yeah I learned from you
(You, you, you, you)
How to break a heart
How to break a heart
I know what to do
Yeah I learned from you
(You, you, you, you)
Yeah I learned from you
(You, you, you, you)
How to break a heart
How to break a heart
I know what to do
Yeah I learned from you
(You, you, you, you)
