

# She Said, I Said (time We Let Go)

Nlt

Don't know where to start 'cause something ain't going right  
Feel it in my soul 'cause I've tried, oh baby  
Tried to keep you satisfied, please don't cry  
I just think we both need time  
I just feel that we are in the same room  
But live in two worlds apart  
And it's causing too much pain  
She said, "Baby can you please just stay?  
It ain't too late to work this thing out"  
I said, "Girl, this ain't easy for me  
At least the truth is coming out"  
She said, "Why can't we make up like the last time?  
I'm just afraid to hear you say ?go??"  
I said, "Baby I'm sorry  
I think it's time we let go"  
"Baby don't leave, don't leave, don't leave  
Tell me you'll stay and you'll stay and you'll stay"  
"I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go"  
See those teardrops falling from your eyes  
That don't change my mind, oh baby  
Please don't make things more difficult than they gotta be  
I can't take no more, this is killing me  
And every time I look at you  
I see more reason for me to leave you  
And it's causing me too much pain, yeah  
She said, "Baby can you please just stay?  
It ain't too late to work this thing out?  
I said, "Girl, this ain't easy for me  
At least the truth is coming out  
She said, "Why can't we make up like the last time?  
I'm just afraid to hear you say ?go?"  
I said, "Baby I'm sorry  
I think it's time we let go?  
"Baby don't leave, don't leave, don't leave  
Tell me you'll stay and you'll stay and you'll stay"  
"I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go"  
"Baby don't leave, don't leave, don't leave

Tell me you'll stay and you'll stay and you'll stay"  
"I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go"  
It's time that we let go!  
She said, "Baby can you please just stay?  
It ain't too late to work this thing out?  
I said, "Girl, this ain't easy for me  
At least the truth is coming out  
She said, "Why can't we make up like the last time?  
I'm just afraid to hear you say "go?"  
I said, "Baby I'm sorry  
I think it's time we let go?  
"Baby don't leave, don't leave, don't leave  
Tell me you'll stay and you'll stay and you'll stay"  
"I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go"  
"Baby don't leave, don't leave, don't leave  
Tell me you'll stay and you'll stay and you'll stay"  
"I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go"
