

Kamikaze

Five Iron Frenzy

Album: Cheeses Of Nazareth (2003)i'm going in (1,2,3 and go)

like a kamikaze (like geronimo)

a leap of faith (and i finally feel alive)

3, 2, 1 i'm going ini don't know if it's just me

but it seems that things aren't changing

every day is pretty much the same

with a little rearranging

if i do nothing i can't fail

no blistered hands, no broken nails

killing time, i'm paralyzed

with faded dreams and hollow eyes

i've been waiting for a revelation

for a moment of clarity

conflicts and convolutions

ricochet inside of me

there comes a time for throwing caution to the wind

i feel the pulse againi'm going in (1, 2, 3 say when)

like a flaming arrow (soaring in the wind)

a leap of faith (and i finally feel alive)

3, 2, 1 i'm going in
