Common One

Van Morrison

Oh my common one ... with the coat so old
And the light in the head ... suffering so high
Take a walk with me ... among the regions
Among the regions
Let take a lookI was sitting down in a mystic church
In the mystic church at the Nottinghill Gate
Nottinghill Gate, I was sitting down
In the mystic church at the Nottinghill GateAt the Westbourne Grove bus station
At the Swedenborg church at the Nottinghill Gate
I was thinking about it ... thinking about it...
Take you out, get you in my car
Gonna go for long, long, long, long, long, long, long, long, long, long, long, long, long, long ... drive
Take you down
To a town called Paradise
SO we can be FREE!
We gonna drink that wineGonna jump for joy
...In town called ... ParadiseI want to squeeze you tight
Make everything alrightUntil we get that, until we get that, until we get that, until we get that, until we get that, until we get that, get that, get that, get that, get that, get that, get that, get that, get that get that get that
Squeeling feeling, squeeling feeling, sqeeling feeling
(scat bit)Go ahead and Scream!Feel the silence...
Can you feel the silence?
In the mystic church...
Can you feel the silence?
Can you feel the silence?
In the mystic church
In the brotherhood of the light
At the Nottinghill Gate...
You can feel the silence in a mystic churchIn the brotherhood of the light
Can you feel the silence?
Can you feel the silence?
Mystic church
Feel the silence
In the mystic church
Can you feel the silence?
