

# Parasite

## Skullcrack

You talk and talk, your bullshit mouth it never stops- Parasite  
Hide behind, your backwards ethics and closed mind- Parasite  
Just eat shit, your sudden death would be our benefit- Parasite  
Not impressed with your bad attitude  
Don't give a shit about your elitist views  
You shun others and turn up your nose  
Think you're part of some club but you're really alone  
Bullshit superiority you feign  
I wanna use my fists to beat in your brain  
Your arrogant days are fucking through  
I wanna make it hurt, make you feel like I do
