Tin soldiers could start the war  
scrap medals for sale  
buy twilight of misery  
death metal prevails  
polish my eye  
to the polished stone  
the alloy is weakening by the hammer thrownsome say that heaven's a home  
others find comfort in fire down below  
we got friends on both sides  
some are still living and others have died  
blood of my eye, love blinded and violent  
blood of my eye, love blinded and violent  
if the bright lights you swim between  
should flicker and fail  
shock currents will set you free  
black winds fill your sails  
polish my eye, to the polished stone  
the alloy is weakening by the hammer thrownhold fast, stand firm, breathe
