

# Lust

## Zyanose

[Taylor Swift] I remember tears streaming down your face

When I said, I'll never let you go  
When all those shadows almost killed your light  
I remember you said, Don't leave me here alone  
But all that's dead and gone and passed tonight  
Just close your eyes  
The sun is going down  
You'll be alright  
No one can hurt you now  
Come morning light  
You and I'll be safe and sound  
Don't you dare look out your window darling  
Everything's on fire  
The war outside our door keeps raging on  
Hold onto this lullaby

Even when the music's gone  
Just close your eyes  
The sun is going down  
You'll be alright  
No one can hurt you now  
Come morning light  
You and I'll be safe and sound  
Just close your eyes  
You'll be alright  
Come morning light,  
You and I'll be safe and sound...  
Oooooo, OoooOooo,  
Oooooo, OoooOooo,  
Oooooo, OoooOooo,  
Oooooo, OoooOooo,  
Oooooo, OoooOooo,  
Oooooo, OoooOooo...
