

# Doctor, Doctor

## Iron Maiden

Doctor, doctor, please, don't you know I'm goin' fast  
Doctor, doctor, please, don't you know I just can't laugh  
She walked up to me and really stole my heart  
And then she started to take my body apart  
Livin' lovin' I'm on the run  
So far away from you  
Livin' lovin' I'm on the run  
So far away from you  
Doctor, doctor, please, don't you know I just can't laugh  
Doctor, doctor, please, don't you know, I'm goin' fast  
It's only just a moment but she's turning paranoid  
It's not a situation for a nervous boy  
Doctor, doctor, please don't you know, I'm goin' fast  
Doctor, doctor, please, don't you know I just can't laugh  
But you look so angry as I crawled across your floor  
She's got the strength, I just can't take any more  
Livin' lovin' I'm on the run  
So far away from you  
Livin' lovin' I'm on the run  
So far away from you  
I'm on the run
