Why

Channel Zero

Three weeks and two days ago
Since I was released from goal
Seventeen years behind bars
Create a hate you cannot kill
Every time they slapped my face
Careful not to leave a trace
For many years I've borne the pain
I'm still alive but insaneWhy don't you shoot me down
Why don't you shoot me again
Why don't you shoot me down
Why don't you shoot me againYou push my face against the wall
I didn't do nothing let me go
Check it out yeah, check it out yeah, check it out I'm clean
I didn't pull a gun I didn't kill no pigWhy don't you shoot me down
Why don't you shoot me again
Why don't you shoot me down
Why don't you shoot me againCan't, can't see nothing, nothing that looks like cops
Badges blow my mind away
Uniforms just make me sickThree weeks and two days ago
Since I was released from goal
Seventeen years behind bars
Create a hate you cannot kill
Every time they slapped my face
Careful not to leave a trace
For many years I've borne the pain
I'm still alive but insaneWhy don't you shoot me down
Why don't you shoot me again
Why don't you shoot me down
Why don't you shoot me again
