(Intro - lively instrumental)

(Nah, nah-nah-nah-nah-nah
Yeah yeah, nah, nah, [repeated])

(Chorus)

She said;
"-I really feel so happy here with you-"

Then she told me it was all a dream,
Then she told me it was all a dream,
Then she told me it was all a dream.

She said;
"-I really feel so happy here with you-"

And then she told me it was all a dream,
Yeah, then she told me it was all a dream,
Yeah, then she told me it was all a dream.

She said;
"I feel free - I feel very, very free"

You made up the perfect guy before you even got the chance to meet him,
Arguments wicho muma bout what age you be seeinim,

(Chorus)

As she says;
"-I really feel so happy here with you-"

And then she told me it was all a dream,
Then she told me it was all a dream,

She said
"-I really feel so happy here with you-"

And then she told me it was all a dream,
Yeah, then she told me it was all a dream,
Yeah, then she told me it was all a dream.

She said
"I feel free - I feel very, very free"

You think that you is shit but on my mama you on a different note,
And watch dumb ass took all these pills so you could be happy,
What if I didn't have the money for it will you still be happy?
I know you say guy ready but nigga is you really?
You don't even got a job and you say that you gone be be a daddy.
All my friends say that I should leave you
I never listen though cos they don't see you how I see you.
My dad called and said he finally coming home - Is that supposed to make me smile?
I don't want that fucking here
I went ahead and pressed decline,
You do this every time,
How we posed to fix this shit when u don't answer your fucking phone?

(Chorus)

She said
"-I really feel so happy here with you-"

And then she told me it was all a dream,
Then she told me it was all a dream,
Then she told me it was all a dream.

She said
"-I really feel so happy here with you-"

And then she said it was all a dream,

Yeah, then she told me it was all a dream,
Yeah, then she told me it was all a dream.
