

# Flossin (feat. King)

Tyga

Zaytoven

Say I'm flossing, say I'm bossing  
Now I'm flossing, yeah Yeah I'm flossing, flossing, flossing, flossing  
Floss, floss, I'ma a boss, I should be from Boston  
Say I'm flossing (I'm flossing)  
Say I'm bossing (I'm bossing)  
I got all the cake, she gon' bring the frosting  
We at Bossa nova  
I'm bossing, I'm flossing  
I'm flossing, I'm bossing  
But this ain't Hugo Boss  
Bitch we flossing, flossing, yeah we flossing, flossing  
I got all the cake, she gon' bring the frosting  
You had it, you lost it  
You lost it, yeah you lost it  
I found it, I got it, got the plug and the sake  
My vanilla girl like chocolate  
My chocolate girl like caramel  
My caramel girl like dairy flavored  
Drippin' like the faucet  
I'm flossing, I'm flossing  
I'm floss and flossing  
She just got her ass shots, we into the soften  
She bossing, she boss and send five texts at?  
Everytime we hit the mall, they should bring a coffin  
I'm cocky, I'm flossing, put a porch to the Porsche  
It can get exhausting, all this fucking flossing  
Diamonds in my teeth, when I smile I sparkle  
I should be a dentist, I could teach you how to floss it  
Yeah I'm flossing, yeah I'm flossing  
Yeah I'm flossing, yeah I'm flossing  
Floss, floss, I'ma a boss, I should be from Boston  
Say I'm flossing (I'm flossing)  
Say I'm bossing (I'm bossing)  
I got all the cake, she gon' bring the frosting  
We at Bossa nova  
I'm bossing, I'm flossing  
I'm flossing, I'm bossing  
But this ain't Hugo Boss

Bitch we flossing, flossing, yeah we flossing, flossing  
I got all the cake, she gon' bring the frosting  
Car that's from Hoochies, I'm bout to throw a party  
Where'd she get that ass, she got it from her mama  
I'm saucy, I'm saucing, I'm saucy balsamic  
And I paid in full, I should be from Harlem  
Just pulled up in right, we both is in Ferraris  
Whoa kemo, flossing is a hobby  
And I'm on your TV, whoa hush tush  
All my ice is water, yours is wishy-washy  
Yeah I'm flossing, yeah I'm flossing  
Yeah I'm flossing, yeah I'm flossing  
Floss, floss, I'ma a boss, I should be from Boston  
Say I'm flossing (I'm flossing)  
Say I'm bossing (I'm bossing)  
I got all the cake, she gon' bring the frosting  
We at Bossa nova  
I'm bossing, I'm flossing  
I'm flossing, I'm bossing  
But this ain't Hugo Boss  
Bitch we flossing, flossing, yeah we flossing, flossing  
I got all the cake, she gon' bring the frosting
