

# Time Has Come

## Shaka Ponk

I'm tired of this motherfucking shit  
Let's do itThe Time has Come  
To bring down the final curtain  
The one who is a dad  
Is also a son, yeah  
Like on the day you're born  
Breathing is painful again  
It's such a lost, it's such a lost cause  
Mother, father, kids in the chaos  
It's such a lost cause  
Love is all we've got when  
The time has come  
For fathers and sons  
God knows I'm torn  
Torn since the day I was born  
I wouldn't be torn  
With spirits for gone  
You used to come home loaded  
And come down heavy on my head  
It's such a lost, it's such a lost boy  
Mother, father kids in the chaos  
It's such a lost boy  
The streets sounds like a plane  
The Time has Come  
To flee from my home  
Feeling, thinking  
Taking with the shrink and,  
Seeking, thinking  
Dying on the sinking,  
Carrying Showing  
(Spinning) ...  
Cause the final(/fire) ...  
(The parents on their)  
Ding dong ding dong  
Ding dong ding dongThe Time has Come  
To bring down the final curtainThe damage is done  
To Forgive them allIt's such a lost, it's such a lost boy  
Mother, father kids in the chaos  
It's such a lost boy

Love is all we've got whenThe time has come  
To forgive them all YeahYeah, the time has come  
To forgive them allDing Dong Ding Dong DongDing dong ding dong dong
