

# Wonderful Life

## Blackpool Lights

Here I go out to sea again  
The sunshine fills my hair  
And dreams hang in the air  
    And I need a friend  
    Oh, I need a friend  
    To make me happy  
Not stand here on my own  
    Look at me standing  
    Here on my own again  
Up straight in the sunshine  
    No need to laugh and cry  
It's a wonderful, wonderful life  
    No need to run and hide  
It's a wonderful, wonderful life  
    Gulls in the sky  
    And in my blue eyes  
    You know it feels unfair  
There's magic everywhere  
    Look at me standing  
    Here on my own again  
Up straight in the sunshine  
    No need to laugh and cry  
It's a wonderful, wonderful life  
    No need to run and hide  
It's a wonderful, wonderful life  
    Look at me standing  
    Here on my own again  
Up straight in the sunshine  
    No need to laugh and cry  
It's a wonderful, wonderful life  
    No need to run and hide  
It's a wonderful, wonderful life  
    No need to run  
It's a wonderful, wonderful life  
    No need to fail and cry  
It's a wonderful, wonderful life  
It's a wonderful, wonderful life  
    No need  
It's a wonderful, wonderful life
